# BESPOKE EDUCATION & TRAINING OPPORTUNITIES

Are you looking to develop your workforce to deliver high quality and person-centred end-of-life care?

The Hospice of St Francis has been at the forefront of providing first-class palliative care for over 39 years.

Our skilled Education Team is made up of qualified clinical practitioners experienced in delivering bespoke training. Training can be tailored to meet the needs of your organisation and staff.

**#APlaceToThrive**

## Workshops include:

- Communication in end-of-life care
- Assessment and care planning in end-of-life care
- Recognising dying and symptom management in end-of-life care
- Ethics relating to end-of-life care
- Loss and bereavement
- Advance Care Planning
- Syringe Pump training

Our training can be delivered in our training room at The Hospice of St Francis or at your own workplace.

## Course cost guidance:

- Half day workshop for up to 15 people from £175
- Full day workshop for up to 15 people from £300

Please contact us to obtain a confirmed cost. Costs are dependent on nature of course, travel and number of facilitators required.

## About The Hospice of St Francis

Every year The Hospice of St Francis helps 2,000 local people and their families to live their precious lives well through improving symptoms, achieving personal goals and helping them feel safe.

Defined by each person's need, our free care for people managing, or recovering from, serious illness has many forms – care at the Hospice, at home, or in our health and wellbeing Spring Centre which offers courses, workshops, clinics and therapies.
